Dr. Krishan Singh

With over **three decades of leadership experience**, **Dr. Krishan Singh** is a distinguished HR and Industrial Relations leader with over three decades of experience in **Industrial Relations, Employee Relations, Labour Law Compliance, HR Strategy, Organizational Development, Leadership Development, and Workforce Transformation**. He has consistently partnered with business leaders to build high-performance workplaces while ensuring industrial harmony across diverse manufacturing and corporate environments.

Having worked across **India, Dubai, Thailand, and South Africa**, Dr. Krishan brings a global perspective to leadership development while remaining deeply rooted in the realities of Indian business and manufacturing environments. As **Senior Vice President – HR at SRF Limited**, he was a member of the business leadership team responsible for driving people strategy across **seven manufacturing plants, R&D Centre, and Pan-India Sales operations**. He has also successfully led the **HR integration of acquired businesses in Thailand and South Africa**, harmonizing cultures, governance frameworks, HR systems, and leadership practices across international operations.

Prior to SRF, he held senior HR leadership positions in engineering, chemicals, sugar, FMCG, consumer products, and German multinational organizations, providing him with rich exposure to both corporate and manufacturing ecosystems.

Core Expertise

Dr. Singh is widely recognized for transforming adversarial industrial relations into collaborative employee relations models rooted in trust, transparency, and mutual respect. His expertise includes:

- Industrial Relations Strategy & Governance
- Trade Union Relationship Management
- Collective Bargaining & Wage Negotiations
- Grievance Redressal Frameworks
- Strike Prevention & Crisis Management
- Employee Relations Transformation

- Contract Labour Governance & Compliance
- Industrial Harmony & Productivity Enhancement
- Labour Codes Readiness & Implementation
- Statutory Compliance & HR Audits

He has successfully negotiated long-term settlements, resolved major disputes and strikes, and established compliance governance frameworks across multiple manufacturing units—minimizing risks while strengthening business continuity.

International & Cross-Cultural Experience

Dr. Singh has significant global exposure in managing multicultural workforces and integrating operations across geographies. A notable achievement includes leading HR integration of acquired manufacturing facilities in Thailand and South Africa, embedding governance standards, cultural values, and people practices while preserving local business effectiveness.
